## Two-Bedroom Apartments Are a perfect fit!

At Traditions of Hanover, our spacious two-bedroom apartments offer the most flexible living options!

Check out various ways our residents use their space!

**MARCIE: Art Studio**  
 As an artist, Marcie can use the extra space as an art studio, which gives her the freedom to express her creative side, and when she finishes her masterpiece, where better to put it on display?  
 Her provisional art studio also serves as a guest room for out-of-town or overnight visitors. They can forgo the hotel expense and enjoy her hospitality instead!

**ANDY & MARGE: Home Office and Storeroom**  
 The kitchen table can be a distraction. A bonus room offers peace and privacy and is excellent for use as a home office. Andy and Marge can work independently on their projects and, as Marge says, "get stuff done." With a little more room, they can also hold on to their most sentimental belongings.

**How would you use your extra space? The possibilities are endless!**  
 Call 610-314-7057 today to see our spacious apartments and take a tour.

## Students from Nazareth Area High School to Participate in All-State Honors Music Ensemble

Students from Nazareth Area High School reached the highest level a high school musician can achieve by earning places in the Pennsylvania Music Educators Association (PMEA) All-State Chorus Festival.

Each year, thousands of high school musicians across the state audition in their geographic area. Individually, students perform for a panel of judges. Student musicians who rank the highest advance to compete against student musicians from other parts of PMEA Regions. The highest-ranking student musicians at the PMEA Region level qualify to perform in one of six Pennsylvania All-State music ensembles.

Matthew Wehr, assistant principal at Nazareth Area High School, states, "We continue to be proud of our student musicians who are participating in this year's All-State Festival. This is an incredible honor that they have achieved and provides our district and community with a tremendous amount of pride. We want to congratulate the students participating and thank each of their music educators for preparing them for this tremendous opportunity."

The student musicians who qualify will perform at the annual PMEA All-State Festival at the Bayfront Convention Center in Erie, Pennsylvania April 17-20, 2024. Nationally recognized conductors at the convention direct the groups who rehearse for two days and conclude with a performance. Dr. Christopher Jackson, Director of the Bach Choir of Bethlehem, will be the guest conductor for All-State Chorus this year. Learn more about the event and the guest conductors at: <https://www.pmea.net/pmeaall-stateinformation/>

The students who qualified for the PMEA All-State Chorus are Ella Soldano (Alto 2); Damon Dellanno

## Waste Management Donates to The Knights' Order

The Knights' Order, the Character Education program at Pen Argyl High School is responsible for service projects throughout the school and community. The Knights' Order focuses on improving school climate, culture, and tolerance through hosting events and activities meant to showcase integrity, fortitude, diversity, and kindness. Waste Management recognized all of the good The Knights' Order were doing for their school and made a 4-year commitment of giving \$20,000 a year to help support their efforts. This week they received their third check of \$20,000 that they look forward to using in all future projects. So far Character Education has used the money to pay for service learning projects, which give teachers the opportunity to help students better their education outside of the classroom by making real-world connections. The Knights' are happy to pay for any supplies or funds they need to help their students give back to their community. They were also able to pay for supplies for trips to the Plainfield Elementary School where they talked to the younger generations of Pen Argyl School District about the Code of the Green Knights. The Knights' Order was also able to use the donation they received from Waste Management to help kids with cancer by donating \$500 to Mini-Thon. With the money they decided to donate \$10,000 to a very important organization in our community, Families First. Families First is an organization that helps many families in the community that are in need. The Knights' Order enjoy working with them for Stuff the Bus, the Christmas toy drive that they host, and any other fundraisers or projects they organize. The Knights' are very excited to make such a difference in their community by donating to this worthy cause. Character Education is very grateful for the money they received from Waste Management because with it they are able to help their school by spreading their message and making a positive impact on students' lives everyday.

**Nazareth Area High School Students in All-State Honors Music Ensemble**  
*Continued from Page 5*

(Tenor 2); Kailey Force (Alto 1); Dean Tarriff (Bass 1).

Kailey Force, Senior at Nazareth Area High School, says the following, "The opportunity to go to All-State Chorus is an immense honor for me. As a senior, it has been one of my largest goals throughout the past three years of high school. I am incredibly proud of myself and my friends for our hard work and dedication, and I know that, on this trip, we will create memories to last a lifetime. There is truly no better feeling than being surrounded by people who love music as much as you do, especially when you are under the direction of a conductor as amazing as Dr. Jackson."

Ella Soldano, Junior, says "I am very excited to participate in the PMEA All-State Chorus. I have only ever dreamed about it! I am so proud of everyone who made it in. The hard work and dedi-

cation has definitely paid off! Singing with everyone under the direction of Dr. Christopher Jackson will be so much fun and an experience I will never forget."

Dean Tarriff, Senior, says, "I am thrilled to be participating in the PMEA All-State Chorus for a third time. It is always an amazing experience to sing with top singers from different schools all over the state. I am very excited to be working with Dr. Christopher Jackson out in Erie! I sing under his direction in the Bach Choir of Bethlehem and he is an incredible conductor and person."

Damon Dellanno, Junior, says, "It's such a fantastic feeling to be going to All-State chorus for the second time. Everyone has worked so hard to get there and when we perform, it shows. I'm so excited to go to All-State with these amazing people that I'm proud to call my friends. I can't wait to be working with Dr. Jackson. He really is such a great conductor and I am sure that the chorus will sound wonderful under his direction."
