Nazareth Women's Club to Hear Birdwatcher

The Nazareth Women's Club will hold its next meeting on Tuesday, May 14, at 7 pm at St. John's Lutheran Church, 200 So. Broad St., Nazareth. Each meeting is an opportunity to meet others in the community and enjoy a fun and informative program. The programs are free and open to the public.

The April meeting will feature an avid bird-watcher from the Lehigh Valley who will discuss tips on how to lure humming birds into your backyard, which birds are native to this region, and the habits of the penguins at the Lehigh Valley Zoo.

The mission of the Club is to help the community through volunteer activities. Members raise funds for nonprofit organizations in the area and make and donate neck pillows to residents of Gracedale. Some of their many other activities include donating handmade stuffed bears for children being transported by ambulance and supporting Operation Smile, a nonprofit organization that performs cleft-lip and -palate surgeries on children in foreign countries.

All women 18 years or older are welcome to join. For more information or to join the club, go to: nazarethwomen1929.com

Celebrate Trails Day with the Quest for the Golden Grabber

Delaware & Lehigh National Heritage Corridor (DLNHC) is hosting the Quest for the Golden Grabber, a trash collection contest along the D&L Trail, from April 20 through April 28. The contest will serve as a fundraiser for DLNHC's 165 Fund, with proceeds going towards the development of the D&L Trail and programming. Participation in the contest is free and open to everyone.

To participate in the Quest for the Golden Grabber, individuals must join or host a local cleanup along a section of D&L Trail. Spur sections and D&L Trailheads count as D&L Trail sections for the purpose of this contest. Participants must then submit their results with trash collection amounts and pictures before noon on April 29, 2024. Prizes will be awarded for various levels of collection, including most trash collected, most tires collected, most electronics collected, and the most interesting items (judge's choice).

For interested individuals wanting to host their own cleanup, please contact TCAssociate@delawareandlehigh.org to get connected with the local trail landowner, find out where to leave trash for pick up, and to get access to clean up tools and trash bags stored at the National Canal Museum in Easton.

Winning groups will be announced Friday May 3, 2024,

through delawareandlehigh.org as well as DLNHC social media channels on Instagram, Facebook, and LinkedIn. The group that wins the most trash collected category will receive a DLNHC branded "Golden Trash Grabber."

In addition to the Quest for the Golden Grabber, DLNHC will also be celebrating "Earth Month" throughout the entirety of April and encourages everyone within the five-county Corridor to join in on local events in their communities. April 8 will be the day of a total solar eclipse that will be visible along eastern PA. Earth Day will be celebrated on April 20 with Arbor Day closely following on April 26. Rails-to-Trails Conservancy's annual springtime celebration of America's trails, Celebrate Trails Day, will be on April 27 (DLNHC will be hosting a cleanup at Hugh Moore Park in Easton). Ending the month will be Small Business Week, which kicks off on April 28.

However you decide to celebrate Earth Month, DLNHC encourages you to spread the love on social media by tagging @DelawareandLehigh on Facebook and @DLNHC on Instagram. For more information, or to get involved please contact economic-development@delawareandlehigh.org or call 610-923-3548.

Memorial Library of Nazareth Receives Grant from Brown-Daub Charities

Pictured L to R: Thomas A. Daub, President, Brown-Daub; Holly Bennett, Executive Director, Memorial Library of Nazareth and Vicinity

The Brown Daub Family of Dealerships has selected the Memorial Library of Nazareth & Vicinity as a recipient of their local charity grant initiative. A donation of \$2500 was presented by Thomas A. Daub to Holly Bennett, Executive Director of the Library. The check presentation occurred at the new showroom of the Brown-Daub Chrysler Jeep Dodge Ram Fiat dealership on Hecktown Road in Easton.

Brown-Daub donates a portion of the proceeds from every vehicle sold directly to a local charity each month. Any local non-profit organization is invited to apply for their grant online at www.browndaub.com/charities. A committee reviews all applications and a recipient is announced monthly with a check presentation.

“We are very happy to support the Memorial Library of Nazareth & Vicinity. This organization provides a variety of programs, events and resources to both the children and adults in the community and creates a love of learning. We know these funds will help support their mission”, said Thomas A. Daub, President, Brown-Daub Family of Dealerships.

May Events at Nurture Nature Center in Easton

Plastic in our environment is the theme in May at Nurture Nature Center, 518 Northampton St., Easton. Insidious Plastic, an art exhibit by 27 artists in four different galleries, explores the impact of plastic on our environment. The show will remain through June 30.

The Science on a Sphere will focus on the plastic theme too.

Science on a Sphere: Plastic, plastic Everywhere

Saturday, May 4, 1 pm
Plastic seems to be ubiquitous - wrapped around the products we buy and the food we eat, on the side of the road and in our waterways. What is the toll of all this plastic and what can we do to lessen the impact? This program dives into the impact of plastic on our environment and how plastic ends up in the middle of the ocean. After the show, visit the art exhibit, Insidious Plastics.
