Audiology Services

This May, join us in celebrating Better Hearing and Speech Month.

Communication disorders are among the most common conditions in children and adults, affecting tens of millions of people in the United States alone. Left untreated, these disorders can negatively impact a person's academic, social, and career success—as well as their overall quality of life.

At *Audiology Services*, we can help you hear life's story.

Two-Bedroom Apartments Are a perfect fit!

At Traditions of Hanover, our spacious two-bedroom apartments offer the most flexible living options!

Check out various ways our residents use their space!

MARCIE: Art Studio

As an artist, Marcie can use the extra space as an art studio, which gives her the freedom to express her creative side, and when she finishes her masterpiece, where better to put it on display?

Her provisional art studio also serves as a guest room for out-of-town or overnight visitors. They can forgo the hotel expense and enjoy her hospitality instead!

ANDY & MARGE: Home Office and Storeroom

The kitchen table can be a distraction. A bonus room offers peace and privacy and is excellent for use as a home office. Andy and Marge can work independently on their projects and, as Marge says, "get stuff done." With a little more room, they can also hold on to their most sentimental belongings.

How would you use your extra space? The possibilities are endless!
Call 610-314-7057 today to see our spacious apartments and take a tour.

Bag some great savings with a High-Rate CD from

ESSA Bank & Trust

9-Month Promo CD:
5.00% APY*

\$25,000 new money required

Visit your local branch or give us a call at 855.713.8001 today!

*Fixed Rate account. The interest rate and Annual Percentage Yield (APY) are fixed for the term of the CD. \$25,000 minimum balance required to open the 9-Month CD and earn the advertised APY, of which \$25,000 must be new money. New money is defined as funds not currently on deposit with ESSA Bank & Trust. Interest is compounded and credited quarterly. The APY assumes that interest remains on deposit until maturity. A withdrawal will reduce earnings. Substantial penalty for early withdrawal. Upon maturity, you have 7 calendar days to make additional deposits or withdrawals. At the end of the grace period, the 9-Month CD will be automatically renewed for a new 9-Month term at an interest rate and APY that we are then paying on CDs with similar term. Product is not available as an IRA. Please refer to the account disclosure for further information. APY accurate as of 4/2/2024.

* Annual Percentage Yield (APY) effective 5/8/24. CDs offered by Edward Jones are bank-issued and FDIC-insured up to \$250,000 (principal and interest accrued but not yet paid) per depositor, per insured depository institution, for each account ownership category. Please visit www.fdic.gov or contact your financial advisor for additional information. Subject to availability and price change. CD values are subject to interest rate risk such that when interest rates rise, the prices of CDs can decrease. If CDs are sold prior to maturity, the investor can lose principal value. FDIC insurance does not cover losses in market value. Early withdrawal may not be permitted. Yields quoted are net of all commissions. CDs require the distribution of interest and do not allow interest to compound. CDs offered through Edward Jones are issued by banks and thrifts nationwide. BOARD CERTIFIED **PODIATRIST**

198 S. Green Street, Nazareth, PA

Help for Diabetic NEUROPATHY
If you have diabetic neuropathy, you may have undergone nerve studies and time-intensive treatments like Microvas with limited success. Dr. Warner uses a simple patient-friendly test that accurately identifies the type and extent of nerve dysfunction involved. He then tailors the treatment with documented strategies that stimulate nerve growth. Call for more info.

Stroke Strikes Every 40 Seconds

The good news is 80% of strokes are preventable. There are risk factors you can control, such as high blood pressure, inactivity, diet, high cholesterol and smoking. May is National Stroke Awareness Month. Start your journey to better health. **Find out what you can do. [LVHN.org/Stroke](https://www.lvhn.org/stroke)**
