OBITUARY

Raymond P. Heller

Raymond P. Heller, 70, of Allison Park, Pennsylvania passed unexpectedly at his home on November 8, 2025. He was born April 19, 1955, in Nazareth Pennsylvania.

Mr. Heller was preceded in death by his father, Reuben Heller. He is survived by his wife of 46 years, Alexa Romano Heller and his children, Christopher Heller and his wife Rachel Twist Heller and their son Hayes, his daughter Samantha Heller Blaser and her husband Jonathan Blaser and their daughters Stella and Luna and his daughter Rachel Heller and her partner Traci Judge. He is also survived by his mother Mildred Krenitsky Heller and his sister Sandy Tanzos as well as many nieces, nephews and in-laws.

Ray graduated from Leigh University with a degree in Electrical Engineering. It was at Lehigh that he met Alexa Romano, his college sweetheart. The two married in 1979. He received his MBA from University of Pittsburgh and spent his engineering career working for PPG in Pittsburgh.

Ray and Alexa enjoyed 50 wonderful years together. Spending time with his wife, children and grandchildren was the most important thing in Ray's life. He was a wonderful husband, father and grandfather. When Ray was not with family, he was playing one of his many horns. He was a member of the Lehigh University Alumni Band for 45 years. He also played locally in the Allegheny Brass Band and the Northern Pittsburgh Symphonic Band. Ray was a talented musician and a wonderful bandmate.

A Celebration of Life will be held at Hampton Presbyterian Church on December 7, 2025, between 3:00 and 7:00 pm. In lieu of flowers, donations may be made to The Farina Foundation (farinafoundation.org), an organization dedicated to helping children pursue their musical dreams.

Bluebird Family Dental

A New **Dentist** in Nazareth

"I've learned people look for a handful of qualities in a dentist. If we can truly focus on those, we will be successful." Monica Dilger, DMD

- 1. High-quality**, professional dental work with a gentle touch.
- 2. Honesty and Integrity**: Patients want to feel confident the recommended treatment is what they really need for their oral health, not just unnecessary upsells for profit.
- 3. Pricing transparency**: Explained coverage and costs before treatment so patients aren't left with unexpected bills.
- 4. Caring**: A practice that sees patients as people, not just dollar signs. Warm greetings, a friendly chairside manner, and a genuine care for our community members go a long way!

Diabetic Foot Care
 If you are diabetic, you can save your feet from unnecessary complications by seeing a podiatrist for routine foot care. Because diabetes damages the nerves in your feet, it is easy to miss foot problems or even injure yourself simply because you can't feel the pain that is your body's normal warning system. Routine diabetic foot care is covered by nearly all insurances.
