2. **Honesty and Integrity**: Patients want to feel confident the recommended treatment is what they really need for their oral health, not just unnecessary upsells for profit.
3. **Pricing transparency**: Explained coverage and costs before treatment so patients aren't left with unexpected bills.
4. **Caring**: A practice that sees patients as people, not just dollar signs. Warm greetings, a friendly chairside manner, and a genuine care for our community members go a long way!
