## Diabetic Foot Care

If you are diabetic, you can save your feet from unnecessary complications by seeing a podiatrist for routine foot care. Because diabetes damages the nerves in your feet, it is easy to miss foot problems or even injure yourself simply because you can't feel the pain that is your body's normal warning system. Routine diabetic foot care is covered by nearly all insurances.

## Sex Trafficking Happens HERE in the Lehigh Valley

Every year, thousands of individuals across Pennsylvania are exploited through force, fraud, or coercion. In fact:

- The Lehigh Valley is considered a "hot spot"
- Many victims are as young as 11-15 years old
- The majority of victims experienced sexual abuse as children.

### January is Human Trafficking Prevention Month.
