Bushkill Township Reminder on Driveway Plowing Policies

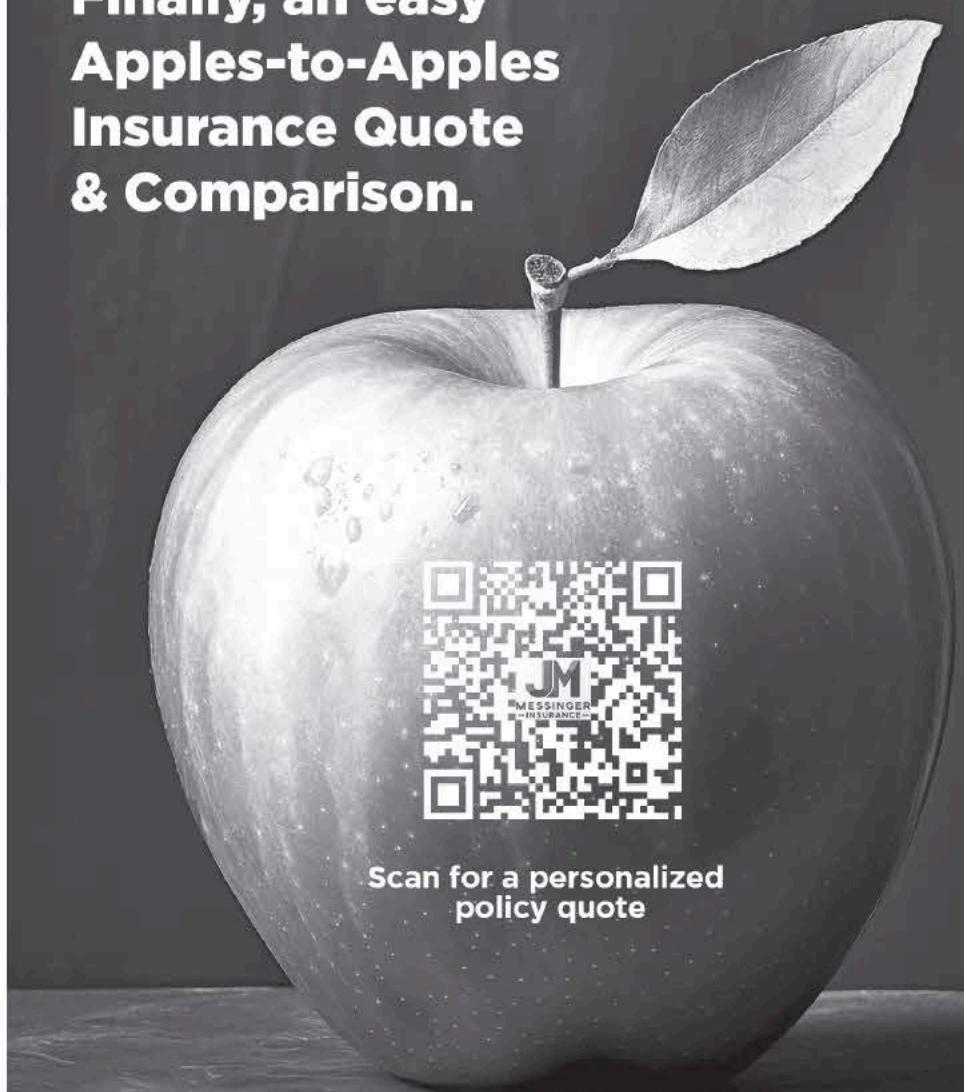

During snow periods, and a snow emergency, it is **prohibited** to park a trailer, vehicle, or to place, plow or blow snow on road rights-of-way in Bushkill Township.

Residents are reminded to keep garbage and recycling containers behind mailboxes far enough to allow plows to unload. We are not responsible for removing garbage cans from the Township rights-of-way. Also if your mailbox is in a bad area for snow drifting, tie a long branch or post to your mailbox post, so the Township equipment can see where your mailbox is, if buried by snow.

The Board thanks you for your cooperation.

Regina Jukebox to highlight Richard L. Dotta Auction Co. Special Online Auction

On Wednesday, February 18 Richard L. Dotta Auction Company LLC will conduct an online-only auction of antique and collectible toys, trains, advertising items, antique billiard tables, and collectibles.

Highlighting the auction will be a rare Regina-style 34-inch Orchestral Corona 27-inch disc automatic changer music box.

A Regina jukebox, more accurately referred to as a Regina music box, was a popular high quality, coin operated musical automaton from the late 19th or early 20th century.

"This particular Regina upright music box has been enjoyed by the same family for more than 60 years," said Richard Dotta, President of Dotta Auction. "It's an exquisite piece. The melodies of 'The Star Spangled Banner,' 'Yankee Doodle Boy,' 'Ben Hur Chariot Race March,' and 'Mexican Beauties Serenata' are so beautiful."

A special preview of these items will be held at the Dotta Auction Center on Saturday, February 14 from 9 am to 4 pm. The center is located at 330 West Moorestown Road, Nazareth, PA 18064. Visit www.dottaauction.com for more details.

Northampton County Conservation District Awarded Growing Greener Grant for Little Bushkill Creek Streambank Restoration

The Northampton County Conservation District has been awarded \$21,882 through Pennsylvania's Growing Greener Grant Program to support the Little Bushkill Creek Streambank Restoration and Enhancement Project in Stockertown Borough.

This phase of the project will focus on survey and design work for the severely eroded streambank along the Little Bushkill Creek. The planning and design efforts will ultimately guide restoration work intended to address erosion at three locations along the creek in Stockertown. Two sites are on properties on Lefevre Road, and the third site is in Newhart Park off Main Street. Project partners include the Borough of Stockertown, PA Fish and Boat Commission, Stockertown Rod and Gun Club, and private homeowners affected by the streambank erosion.

Streambank erosion can contribute excess sediment to waterways, degrade aquatic habitat, and threaten nearby land and infrastructure. By stabilizing streambanks and improving stream function, restoration projects help protect water quality, enhance habitat, and support long-term watershed health.

Funding through the Growing Greener Program allows the Conservation District to take an important step toward addressing erosion concerns along the Little Bushkill Creek. This project will help lay the groundwork for future restoration efforts that benefit both the local community and the watershed.

The Growing Greener Grant Program is administered by the Pennsylvania Department of Environmental Protection and supports projects that protect and restore Pennsylvania's waterways, reduce pollution, and improve environmental quality statewide.

The Northampton County Conservation District works with municipalities, landowners, and partners to promote responsible land and water management throughout the county. Updates on the Little Bushkill Creek Streambank Restoration and Enhancement Project will be shared as the project progresses.

For more information about this project or other District programs, please contact the Northampton County Conservation District at (610) 726-1030 or visit northamptoncd.org.
