RED WOLF BAR & GRILLE is a family friendly & cozy corner restaurant in the borough of Bath. Red Wolf, located within the historic Bath Hotel, opened in May 2013. Brothers Angelo & Joe Caiazzo first purchased the hotel in 2005 after a well-publicized fire had destroyed much of the original structure. The building has since been entirely remodeled.

In Red Wolf, the brothers Caiazzo have created a family-friendly, comfortable & contemporary restaurant for all to enjoy.

Red Wolf Bar & Grille offers a delicious twist on your not-so-typical pub fare: scrumptious appetizers, wings, burgers, pastas, pizzeria-style pizza, & more! Ask how you can "build your own Boli!" A house favorite is the Drunken Chicken Parmesan sandwich, which is breaded, drenched in vodka sauce, coated with mozzarella cheese & toasted to perfection. Another "must try" is the Red Wolf Cheesesteak Sandwich, consisting of thinly sliced ribeye smothered with fried onions & white American cheese. The Red Wolf menu also offers traditional lasagna, stuffed meatballs, beer battered haddock, stuffed flounder, & classic ribeye steaks. For the kids, ask to see the "pup's menu"!

Red Wolf's bar features seasonal mixed drinks, martinis, & craft beers, along with all your favorites. Join us for Happy Hour, Monday through Friday, Trivia Wednesdays, & nightly dinner specials. Red Wolf is available for your private parties & functions. Stop by & check out our new outdoor patio!

Come on down & enjoy a night out in your friendly neighborhood bar & grille: Red Wolf Bar & Grille, 201 West Main Street, Bath PA 484-281-3661. www.redwolfgrille.com

Resident at Gracedale Celebrates 60+ Years of Marriage With a Special Valentine's Luncheon

This Valentine's week was special for residents and visitors at Gracedale Nursing Home. On Wednesday, a love-themed luncheon was held for resident couples, their spouses, and partners, where the Gracedale Life Enrichment team captured photos. The menu included a choice between creamy parmesan chicken piccata and pan-seared Atlantic salmon, with triple chocolate cheesecake for dessert.

Dorothy Silfies and her husband Ray Silfies were one of the couples in attendance. Dorothy and Ray met when they were just 9 or 10 years old and grew up in Bath just blocks away from each other. They were friends in school and started dating when they were 16.

"We went to prom together and graduated together," said Ray Silfies. The couple was married on October 17, 1964, and bought a home in Nazareth where they raised three children. With Ray working long hours to make ends meet, he wasn't home often, and says, "I give her all the credit for raising them." Dorothy worked first as a secretary, and later as a daycare provider, which she says was the joy of her life.

The decision to have Dorothy move to Gracedale was a difficult one for Ray. He is usually at Gracedale visiting her for 4 to 5 hours each day. Events like the luncheon help the cou-

ple reconnect and enjoy those special moments, such as Valentine's Day.

"You'd have to go to a restaurant to get food like that," Ray said. "The plating on the meal and the dessert was 5-star."

In addition to the luncheon, the Friends of Gracedale nonprofit held a bake sale and basket raffle. All proceeds from their sale go back to the residents and activities held for residents throughout the year, including the in-house beauty parlor and barbershop.

Delaware Lehigh Amateur Radio Club offers Free Classes for Ham Radio License

The Delaware Lehigh Amateur Radio Club, Inc. will offer free classes this fall for people who would like to obtain an amateur ham radio license. Classes will begin on March 3 and will run for 10 weeks to prepare students to take the Federal Communications Commission's Amateur Radio basic license examination.

Ham radio has played an important role in communications for more than 100 years and continues to do so. It is part of many emergency management plans because it can be used to communicate if landline telephone lines, cell towers and/or electric grids fail.

It also is a fun hobby for people who enjoy talking with amateur operators locally and around the world, participating in contests and field days, and even making contact with the International Space Station.

According to the American Relay League (ARRL), the nationally recognized organization for operators, there are more than 700,000 amateur license holders in the United States and more than 3 million worldwide.

Based in Nazareth, the Delaware Lehigh Amateur Radio Club (DLARC) has more than 100 members. It is a non-profit 501(C)(3) charitable organization. Classes are offered as a community service.

Classes will be held weekly on Tuesdays from 7-9 pm at the Northampton County 911 Center. For details or to register, contact KE3AW@arrl.net or call 610-419-9286.
