PRAYERS

PRAYER TO THE
Blessed Virgin Mother. (Never known to fail). Oh most beautiful Flower of Mt. Carmel, Fruitful Vine, Splendor of Heaven, Blessed Mother of the Son of God, Immaculate Virgin. Assist me in my necessity. Oh Star of the Sea, help me and show me here-in you are my mother. Oh Holy Mary, Mother of God, Queen of Heaven and Earth. I humbly beseech you from the bottom of my heart to secure me in my necessity. There are none that can withstand Your power. Oh show me herein you are my mother. Oh Mary, conceived without sin, pray for us who have recourse to Thee (3X). Holy Mother, I place this cause in your hands. (3X). Holy Spirit you who solve all problems light all roads so that I can obtain my goal. You who gave me the divine gift to forgive and forget all evil against me, and in all instances in my life you are with me. I want in this short prayer to thank you for all things, as you confirm once again, that I never want to be separated from you in eternal glory. Thank you for your mercy toward me and mine. The person must say this prayer 3 consecutive days, after 3 days the request will be granted, this prayer must be published after the favor is granted. Thank you God for answering my prayer. LD

Veterans benefits discussion at The Birches

Attention wartime veterans! If you're planning for your long-term care needs or need care assistance, you or your spouse may qualify for veterans benefits that can help offset the cost of care, including a higher pension benefit. To find out more, join The Birches of Lehigh Valley on Thursday, Feb. 19, at 6:00 p.m. at 5030 Freemansburg Avenue.

Thomas Applebach, director of the Lehigh County Office of Veterans Affairs, will discuss veterans benefits, including disability compensation and the Aid and Attendance pension. Learn more about the eligibility criteria and the application process to help afford the care you need.

Your brain receives less sound information, making it harder to recognize speech sounds, leaving you to guess what people are saying.

Northampton County named One of Nation's Digital Inclusion Trailblazers for 2025

The National Digital Inclusion Alliance (NDIA) named Northampton County, Pennsylvania, as a 2025 Digital Inclusion Trailblazer, recognizing the county's efforts to close the digital divide.

Digital inclusion – access to affordable high-speed internet, devices, and digital skills training – is essential to participating and thriving in today's world. Recognizing the ongoing needs of the community, Northampton County continues in its efforts towards digital equity.

"This is an exciting recognition to receive. Closing the gap in the digital divide is such an important part of building equity. It reflects the care and dedication of our staff and partners who realize digital access is necessary for everyone to be connected in our community. My administration is committed to building on this momentum to ensure every resident has the digital access they need to stay connected," said County Executive Tara Zrinski.

This year, Northampton County joins 58 other Digital Inclusion Trailblazers, paving the way for digitally inclusive communities across the US.

"Nonprofits, libraries, churches, and other community organizations can't reach digital equity on their own. For everyone to thrive in today's digital world, we need all hands on deck," said Angela Siefer, NDIA executive director. "NDIA's Digital

Inclusion Trailblazer program exemplifies the key role of local governments in building digital opportunities for all of their residents."

Trailblazers provide models for other local governments to aspire to as communities build digital inclusion ecosystems. Northampton County achieved Trailblazer status by prioritizing digital inclusion for residents of their communities through:

- Continuing the Digital Navigator Coalition
- Dedication of the awarded AARP Community Challenge grant funding to digital inclusion
- Engaging the Community by Hosting Digital Device Training and Tech Tutorial Events
- Continuing the Northampton County Access Device and Giveaway Program, providing refurbished County devices to County organizations and residents

The Trailblazer program identifies seven categories of current best practices. Each applicant's materials are verified for accuracy, assessed for community impact, and posted in an interactive map and searchable database on NDIA's website. By sharing materials with open-sourcing, NDIA provides community advocates and local governments ways to continue learning, connect with trailblazing peers, and plan their own digital inclusion solutions.

Keeping Your Balance is Topic at Women's Club Meeting

The Nazareth Women's Club will hold its next meeting on February 10, 2026, at St. John's Lutheran Church, 200 S. Broad Street in Nazareth. Each meeting is an opportunity to meet others in the community and enjoy a free, interesting and informative program. The meetings are open to the public.

The February meeting will feature a talk by physical therapist Brian Shak, of Good Shepard Rehabilitation, on maintaining good balance and preventing falls. Research shows that balance in older women often declines due to age-related changes in the body, taking certain medications and/or having a chronic condition. Shak will explain simple ways to include

balance training with physical movement and strength training into your daily activities.

The mission of the Club is to help the community through volunteer activities. Members raise funds for nonprofit organizations in the area and make and donate neck pillows to residents of Gracedale. Other activities include donating handmade stuffed bears to ambulance corps that transport children to hospitals, and supporting Operation Smile, a nonprofit organization that performs cleft-lip and -palate surgeries on children in foreign countries.

All women 18 years or older are welcome to join. For more information or to join the club, email: nazarethwomen1929.com
