PROUDLY OWNED AND OPERATED BY THE CRIVELLARO FAMILY!

The Purple Martins are Back at St. Luke's Anderson Campus

Purple martins have nested at St. Luke's Anderson Campus for the second straight year.

The birds' return heralds the establishment of a new, perennial colony within the expansive greenspace at the Anderson Campus in Bethlehem Township.

Purple Martins, which migrate northward from as far south as the Amazon jungle to spend the spring and summer in the United States, were once commonplace in Lehigh and Northampton counties. They depend on man-made nesting sites, which local farmers used to erect since the birds would eat the bugs that might otherwise destroy their crops. But as farming in this region declined, so too did the Purple Martin population.

To Tom Fiorini, St. Luke's Director of Landscape Services, this presented an entic-

ing challenge: Could the birds be lured back?

At the Anderson Campus, he mounted a tall pole encircled with racks of gourd-shaped bird houses two winters ago. For months, the bird houses remained vacant – until June 2025.

To verify the nesting last year, photographs of the birds were sent to the Cornell Lab of Ornithology in Ithaca, N.Y., which confirmed they were Purple Martins. Peter Saenger of Muhlenberg College's Acopian Center for Ornithology also reviewed the photographs and reached the same conclusion.

Purple Martins' symbiotic relationship with humans predates the arrival of Europeans to North America. Indians were the first to recognize their utility for pest control and use gourd nesting sites to attract them.

When Fiorini is working at the Anderson Campus, he checks on his Purple Martins and takes great pleasure in watching them snatch flying insects out of the air to feed their insatiable chicks. "The coolest thing," he said, "is that they are going to know this spot, and they'll keep coming back year after year."

Bluebird Family Dental

A New Dentist in Nazareth

"I've realized people look for a handful of qualities in a dentist. Truly focus on those and we will succeed." Monica Dilger, DMD

1. **High-quality**, professional dental work with a gentle touch.
2. **Honesty and Integrity**: Patients want to feel confident the recommended treatment is what they really need for their oral health, not just some money grab.
3. **Pricing transparency**: Reviewed treatment plans to avoid or reduce unexpected bills.
4. **Caring**: A practice that sees patients as people, not just dollar signs. Warm greetings, friendly bedside manner, and genuine care for our community members go a long way!

Shear Magnolia Hair Salon

ABOUT US

We're thrilled to have been part of the Easton / Tatamy Community for over a year. Following 13 years of successful co-ownership in the Forks area, Nikki took the helm of her own salon, joined by Alley & Kylie, collectively offering over 40 years of expertise.

Our dedication to ongoing education keeps us abreast of the latest hair trends.

As a family-friendly, judgement-free zone, our salon provides a tranquil atmosphere that makes clients feel at ease. The personal touches throughout our salon create a cozy ambiance. We look forward to welcoming you to our home away from home.

Jacobsburg Environmental Education Center Community Programs for July 2026

Bats of Jacobsburg: Thursday, July 2, 2026 6pm to 7:30pm. Join volunteer educator and long-time conservation enthusiast, Catherine Folio, as we present common bats of Jacobsburg and discuss how to monitor them! This program is for adults only. Registration is required.

Weekly Weeders: Mondays, July 6, 13, 20, 27, 2026 8:30am to 10:30am. Interested in learning more about gardening with native plants? Volunteer to mulch, pull weeds, divide plants, and amend soil in the center's native plant garden. We provide instruction, tools, and weeding mats. This is a seasonal opportunity. Registration is required through the DCNR Calendar of Events or the Conservation Volunteer system <https://dcnrvolunteers.pa.gov/>.

Butterflies and Blooms: Wednesday, July 8, 2026 10am to

12pm. Join us for this walk through the fields of Jacobsburg in search of blooms and butterflies! We'll show you how to quickly identify local species and the best places to look for them. Participants should wear comfortable shoes. A hat, bottled water, and sunscreen are recommended. This program is for adults only. Registration is required.

You can view and register for community programs online at <https://events.dcnr.pa.gov/search/events?order=date&search=jacobsburg>. If you need an accommodation to participate in a program, please contact the park office at 610-746-2801 or jacobsburgsp@pa.gov. Interpreters for people who are deaf or hard of hearing are available for educational programs with at least seven days notice.
