Diabetic Foot Care
If you are diabetic, you can save your feet from unnecessary complications by seeing a podiatrist for routine foot care. Because diabetes damages the nerves in your feet, it is easy to miss foot problems or even injure yourself simply because you can't feel the pain that is your body's normal warning system. Routine diabetic foot care is covered by nearly all insurances.

ATTENTION NAZARETH BOROUGH RESIDENTS
LEAF COLLECTION HAS STARTED
PUBLIC WORKS WILL ONLY PICK UP LEAVES...NOT BRANCHES OR GRASS

The annual collection of leaves throughout Borough streets has begun. Please know that Borough Public Works employees "will only pick up leaves" and not grass clippings, branches or tree trimmings. Grass and other natural refuse must still be taken to the Borough's Yard Waste Recycling Center on G.W. Stoudt Boulevard. If there are clippings or branches and limbs mixed with your leaves, Public Works will not pick up anything since it will clog our collection machinery. Remember to remove all "non-permitted" refuse from your leaf pile before placing it curbside.

$10,000 State Grant to the Memorial Library of Nazareth and Vicinity to Expand Library Services

Senator Lisa Boscola announced that the Memorial Library of Nazareth and Vicinity has been awarded a $10,000 grant through the Library Services and Technology Act (LSTA) Action Grant program for its "The Learning Exchange: Expanding Adult Access Through Community Collaboration" program.

"Libraries play an important role in the quality of life for communities, especially for older residents who are seeking guidance in collecting information and are not comfortable with the digital world," Boscola stated. "The Memorial Library of Nazareth and Vicinity's Learning Exchange program will allow the Library to enhance services to adults seeking to navigate the digital world."

The $10,000 LSTA Action Grant will allow The Memorial Library of Nazareth and Vicinity to launch a six-month pilot project to strengthen services for community members navigating retirement, caregiving, and an increasingly digital world by hiring a part-time Adult Engagement Coordinator.

Action Grants through The Library Services and Technology Act provide funding of up to $10,000 for high-impact initiatives that strengthen library services and create lasting community benefit. Statewide, nearly a quarter million dollars in grant funding was awarded to 26 libraries to expand library services across Pennsylvania. Library Services and Technology Act (LSTA) Action Grants by the Pennsylvania Department of Education.

VETERAN'S DAY 2026

IN MEMORY AND HONOR...

During the past year, we have had the privilege of serving the families of Veterans. We are honored to be of service to them in their time of need, just as their loved one was there in our time of need. On Veteran's Day, we pay tribute to those who served our country in the name of Freedom, the same Freedom that allows us to serve them.

Our prayers are with all the Veterans, their families, and with the brave men and women serving our country today. We also wish to thank those from our area's veteran service groups who volunteer their time in honor guards and firing squads bestowing the greatest honor for their deceased comrades.
