Diabetic Foot Care

If you are diabetic, you can save your feet from unnecessary complications by seeing a podiatrist for routine foot care. Because diabetes damages the nerves in your feet, it is easy to miss foot problems or even injure yourself simply because you can't feel the pain that is your body's normal warning system. Routine diabetic foot care is covered by nearly all insurances.

Pen Argyl Area High School Students Unstuff the Bus to deliver donations to those in need this Holiday Season

On Friday, November 20th students from the Pen Argyl High School will be going to the YMCA to sort, count, package, and hand out all the food that was collected from the huge Stuff the Bus event. Pen Argyl Area High School collected food for Stuff the Bus throughout the month of November. Stuff the Bus is a district wide event in which students, community members, and teachers donate non-perishable items for people in need during the Thanksgiving season. The Knights' Order worked with Families First, meaning that all the food collected will be given to families in Pen Argyl and our community who need a little extra help to get through the holiday. The Plainfield Elementary School, Wind Gap Middle School, and the District Office all joined the high school in collecting donations! Not only did the members of Pen Argyl School District donate to this cause, but local businesses and community members also donated items. We wanted to give a special thanks to Krise Transportation for the use of their bus and the YMCA for allowing us to use their gym for sorting and distributing food. This year is the third year that the Cub Scout Pack 34 contributed to Stuff the Bus thanks to their "Scouting for Food" drive. Another big thank you as well to Kitchen Magic for donating $500 in order to give out turkeys as well. With the help of the community, we will be able to help feed around 80 to 100 families this holiday season. The Knights' Order, the Character Education program at the Pen Argyl High School that organized the event, is responsible for service projects throughout the school and community. The Knights' Order wanted to give back to the community that has been so supportive of their other initiatives. The Character Education students put in hours of their time to get this event ready for the whole district to participate in. Thank you to everyone who participated in this event, without your help this would not have been possible!
